

Our Work Scope :

. ReciproCating Compressor

Rider Ring – Piston Ring - Stuffing Box Packing -Suction & Discharge Valve
(Metallic & Thermoplastic)Guaranteed 8000 hrs -engineered plastic (PEEK- PTFE compound)
Liner – Crankshaft .

. Compressor package

. Centrifugal compressor

Special critical non metal seals
Dry gas seal special carbon parts

. Pumps and rotary equipment's

Critical Mechanical seal design & spare parts

Schunk GmbH CARBON – ASMAIT SEALS PERFLUORO ORING

High pressure plunger packing up to 2500 bar

. Turbine & Turboexpander

Carbon PACKING & metallic sealing for exhaust , Top quality FFKM oring

. Hydraulic cylinder & Bolt tensioner sealing

Machining seals by TRYGONAL Austria Technology , pressure UP to 700 bar
